Hi Dr. Hughes,

I will send over a calendar invite for Monday. Have you seen or heard any of the questions? If they are technical questions I may need to bring someone else in. Any chance you can check?

Hello Ernie,

I apologize for the delayed reply. I'm traveling today and have limited access to my email.

We can certainly set up a time to talk. It may be difficult today but because we trying to get it finalized this month, what time slots do you have available?

Monise:

Good afternoon, Let's schedule a time to talk. The data committee have a few questions concerning the contract. Do you have time to talk this evening or tomorrow?

Hello Dr. Hughes,

Thanks again to you and Stacy for your time yesterday. I appreciate your efforts in moving this no cost project forward. As I promised, attached are the documents to assist in sharing the full scope of the project with your team. Is there anything else you need? Please don't hesitate to call or email me with any questions.

I look forward to our next conversation to hear about the outcome of your meeting. Until then, be well!

With kindest regards,
Monise
